Florida State College at Jacksonville North Campus

A HAPPY NEW YEAR

Director's Corner

Welcome back to Chappell! Last year was great and we are looking forward to an exciting new year! Here at Chappell FSCJ North Campus, we are resolving to make your child's year of learning even better than the year before. We would like to invite you all to come and join us in your child's learning experiences and activities that we host here at the center throughout the year.

During the month of January, we will be learning about Winter through the use of songs, poems, books and activities. By the end of the month, our students will understand when winter is, what happens to the weather during the cold months of winter, how snow and ice are created, and will be able to name at least three activities that we usually do during the wintertime. Our children will also be learning about the character trait of respect. We will be teaching them that having a positive feeling or showing positive actions towards another person is a way of showing respect to that person.

~ Amy Faircloth, Director, FSCJ North Campus

Reminders

- Please bring in a change of clothes that are weather appropriate.
- Please bring in a fitted sheet to cover your child's mat during rest time.
- Please remember to clock your child in and out each day on the time clock and in the book located in your child's classroom.
- Please keep your child's toys at home unless the teacher requests items from home for show and tell.
- Tuition is due on Thursdays.
- Chappell always loves to hear from you! For confidential messages on the web, go to www.chappellschools.com and click on Contact Chappell.

Important Information

Non-VPK School Days: January 2nd - 6th
January 9th
January 16th
January 20th

The center will be closed on Monday, January 2, in observance of New Year's Day.

The Jacksonville Public Library will be visiting us on Friday, January 13th, to read a story and talk about the library with our VPK students.

Vision Is Priceless will be coming on Tuesday, January 17th, at 9:00 AM to give a free vision screening to students who are three years of age and older. If you do not want your child to participate in this activity, please submit a written statement to the Director.
