

Chappell Riverplace Newsletter

Director's Corner

2011 has passed and what a great year we had here at Chappell Riverplace. Our center has grown so much this past year with many new families, friends and staff.

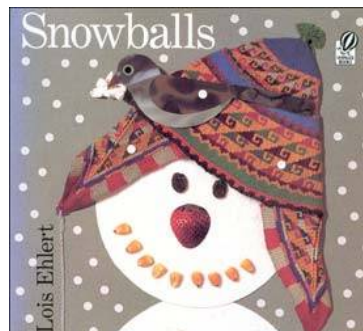

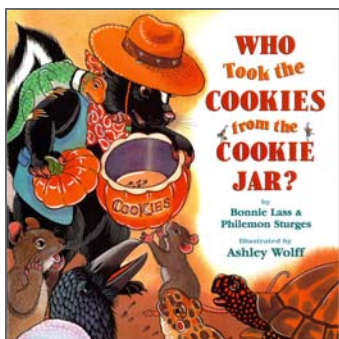

Thanks again to our wonderful parents for joining us during our holiday parties. The children had such a wonderful time and enjoyed all the festivities, music, and treats!

We are excited about the things that will take place in 2012. We have great plans to incorporate many community helpers throughout each month and to provide the children with activities and languages from other countries. We've added wonderful learning activities to our curriculum to prepare the children for the next class they will be transitioning to.

This month's curriculum theme is Winter. Some of the fun activities the children will be involved in are: making torn white paper snowman, and also making snow globes.

Who Took the Cookies From the Cookie Jar? and *Snowballs* are the ELLM books that we will be working with.

~ Linda Fox, Director

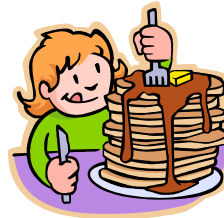

This Month's Events

- Jan. 2nd Center is closed for New Year's Day observation
- Jan. 16th This is a non-VPK school day
Martin Luther King, Jr. Birthday observance
- Jan. 20th This is a non-VPK school day

Yum...Breakfast

We have all heard that breakfast is the most important meal of the deal. If you would like your child to eat breakfast in the center, be sure to enroll in this particular program. Breakfast is served in the center until 8:30 each morning.

If your child will be eating a breakfast meal that you have provided, we ask that your child consume this before arriving in the center.

Happy Birthday
